## TeamWERX Feedback

8 Oct. - 7 Dec.

This challenge focus on taking our newly launched TeamWERX Prize Challenge to the next level.

The spotlight of this challenge was to ensure a seamless user experience, incorporate new functionality, and establish communication and outreach.

The TeamWERX team recommended reviewing other prize challenge websites as a comparison. Submissions were judged based on the comprehensive recommendations provided.

## Judging Criteria

- Topic areas include: issue, discussion and recommendation(s)
- Comprehensive write up (Format: Word, PDF, text, PowerPoint)
- Comparative review of other Prize Challenge websites
- Demonstrate understanding of ultimate goal of TeamWERX

## Challenge Winners

SOFTA, CyberWinter Studios, Cites Creative LLC, Lonewolf, Graham Precision, Pablo Bustamante, 3D Simulations, Inc, Dale Nance, and Peter Lehew
